To view the MCMS Mobile Mustangs APP as a “website”:

<http://www.tinyurl.com/mobilemustangs>

REQUIRED ACTION:

Add your Grade Level APP folder to your “My Drive” (Only have to do this once):

1. Open your Google Drive: <https://drive.google.com/a/madison.k12.ga.us/>
2. Click on the “Shared with Me” menu link on the left under “My Drive”
3. Click the “box” that is in front of the folder of your grade and content - example: “7 SCIENCE APP”
4. Click on the link at the top that now is active that says “Add to My Drive”
5. Click on “My Drive” and the “7 SCIENCE APP” folder is now listed in “My Drive”

OPTION ONE:

To add anything from OUTSIDE Google Drive to INSIDE your Google Drive folder:

1. Drag the file(s) you want to share with students, parents, everyone - to your “7 SCIENCE APP” folder
2. It will upload in a few seconds. It will be now available to everyone when upload completes
3. Repeat as necessary.

Note: Utilize your folder with folders to organize your files. Folders: HW, Lessons, Study Guides...

Note: Make file names easy & short to understand - SS8G1 HW1 or GA Geography Study Guide Test 2

OPTION TWO:

To add anything from YOUR Google Drive folder to INSIDE your “7 SCIENCE APP” Google Drive folder:

1. Right Click on the file you want to add to the “7 SCIENCE APP” folder. Choose “Make a copy”
2. Right Click on the copied file and choose “Move to...” - Choose your “APP FOLDER” folder
3. Repeat as necessary
