

Topic: Utilizing the Mobile Mustangs APP in the Classroom

Trainer: Chad J. DeWolf

APP ONLINE: <http://www.tinyurl.com/mustangsapp>

Date: November 11, 2015

Time: 60 Minutes

Materials needed: Computer, personal phones/tablets

Teacher level: All

Instructional Agenda

1. Overview of our district technology and Google Drive.
2. Quick discussion of the APPs purpose and overall value to all stakeholders.
3. Quick talk as to how the Google Drive can be used for our students & parents.
4. Ensure all content and grade level educators are sitting together in groups for collaboration through Google Drive.
5. Training on Folders and Files in Google Drive in the APP Folder for each content area.
6. Content groups will create folders and upload files to their specific App Drive Folders
7. Sharing from groups of ideas on how to utilize this Google Drive Folder for the APP that will benefit the students and parents, and even teachers.
8. Leader descriptions of “Best Practices” for continued usage.
9. Survey link will be sent to all participants to complete on this training.
